

THEBERTON AND EASTBRIDGE PARISH COUNCIL

MINUTES OF THE THEBERTON AND EASTBRIDGE PARISH COUNCIL MEETING HELD AT JUBILEE HALL, THEBERTON ON WEDNESDAY 10th APRIL 2024 AT 7:00

1. Attendance and apologies

To receive declarations of interest and to consider requests for dispensations

Attendees:

Cllr. Stephen Brett – Chair
Cllr. Bob Flindall
Cllr. Hazel Collins
Cllr. Daryl Ash
Cllr. Paul Collins
Cllr. Steven Morphey
Cllr. Graham Ward
Cllr. Nat Bacon- Arrived late

Apologies for absence:

District Cllr. Katie Graham
Cllr. Hilary Ward – Vice Chair- Apologised
District Cllr. Tom Daly
County Cllr. Richard Smith- Apologised

Members of the public:

No members of the public were present

In attendance:

Honor Houlding- Clerk/RFO
District Cllr. Sarah Whitelock

2. To receive declarations of interest and to consider requests for dispensations

None.

3. Public Forum

- a) Members of the public may address the Council on any agenda item.

No members of the public were present.

- b) To receive a report from the County Councillor.

No County Councillor present.

- c) To receive reports from the District Councillors.

District Cllr. Sarah Whitelock summarised the East Suffolk Council April Parish Report.

District Cllr. Sarah Whitelock continued to explain there had been an overwhelming response to the 'Grow Your Own' vegetable packs to help children to understand where food comes from as well as helping to tackle those most affected by the cost of living crisis. The Councillor's explained that Theberton and Eastbridge Parish did not have community allotments and it would be very unlikely that the Parish Council would be in the position to consider providing allotments unless a generous landowner donated land for this project.

District Cllr. Sarah Whitelock expressed East Suffolk's Council's position with regards to LionLink, concurring that ESC believe there are better alternatives available for bringing the cabling onshore than at Walberswick. One concern is how the mitigation and handling of traffic coordination, particularly in respect of the issues our area is currently tackling with regards to the increased traffic associated with the development of Sizewell C.

A conversation was held with regards to East Suffolk Council's Planning Department where there are several role changes and job vacancies within the team. Cllr. Paul Collins updated the Council with regards to the ongoing enquiry into the DCO, specifically items 12 and 19 and explained a response is yet to be received however a response is expected by the 11th of April 2024. The Deed of Obligation was discussed and it was highlighted that Theberton and Eastbridge Parish Council were never asked their views and have been unable to see a draft of the document before it is finalised. District Cllr. Sarah Whitelock agreed that residents affected by the development project are becoming

increasingly more upset and expectations are not being met with regards to good relations and consistent correspondence from the Sizewell Project team.

4. Minutes and Matters Arising

- a) To approve as accurate the minutes of the meeting held on the 13th of March 2024.

It was proposed by Cllr. Graham Ward and seconded by Cllr. Steve Morphey and agreed that the minutes of the meeting held on 13th March 2024 to be signed as a true record. All in favour.

- b) Matters arising.

Cllr. Paul Collins highlighted a conflict in meeting dates. Theberton and Eastbridge Parish Council's next meeting, the Annual Meeting and the next Sizewell C Northern Transport Forum are both scheduled to take place at 7.00pm on Wednesday 8th April. Both the Chairman, Cllr. Stephen Brett and Cllr. Paul Collins would usually attend both meetings and therefore it was proposed by Cllr. Hazel Collins and seconded by Cllr. Stephen Brett and agreed to reschedule Theberton and Eastbridge Parish Council's Annual Meeting to Thursday 9th May at 7.00pm.

ACTION: Clerk to check Theberton Village Hall is available to hold the Annual Meeting and Annual Parish meeting on Thursday 9th of May and send confirmation to all invitees.

5. Energy Projects

- a) To receive an update from Cllr. Paul Collins.

Cllr. Paul Collins summarised the Energy Projects Report for April 2024 which is attached as **Appendix I**.

- b) To receive a report from the Sizewell C Annual Community Forum held on the 9th April.

Cllr. Paul Collins reported that the Sizewell C Annual Community Forum was very carefully managed and heavily choreographed, meaning that very little time was left for further questioning by the elected representatives, public and interactions. It was noted that during the build of Hinkley Point, the workmen and contractors highlighted more effective ways of implementing the development having huge influence over the project and that this appeared to be the same at Sizewell C since the DCO had been triggered. This included discussions with regards to a potential location change for the planned freight management zone and looking into a better method of transporting water to the site. Cllr. Paul Collins referenced the open invitation to Richard Knight and David Peacop to attend a Theberton Parish Council meet to present the 20mph plans for the village and additional information with regards to the building of the workers campus.

ACTION: Cllr. Stephen Brett and Cllr. Paul Collins to continue to pursue Sizewell C spokesperson attendance at upcoming Parish meeting.

District Cllr. Sarah Whitelock highlighted the increase in antisocial behaviour at Hinkley Point during the development of Hinkley Point explaining that Somerset Council had recruited Community Safety Officers to assist and help mitigate risks to the local communities. Cllr. Stephen Brett presented that Sizewell C had a very thorough Code of Conduct in place to tackle anti-social behaviour in the workforce however we had yet to receive a copy of this document from the Sizewell C team.

ACTION: Clerk to request the Sizewell C staff Code of Conduct and circulate with the Council.

Cllr. Paul Collins made reference to the Community Foundation Funds and asked a question as to why Lowestoft had been allocated some of these funds. The consensus of the Council was that funding should be allocated to those most affected by the development of Sizewell C.

ACTION: District Cllr. Sarah Whitelock to inform Theberton and Eastbridge why the funds had been allocated with regards to the Community Foundation.

- c) To discuss resident communications with regards to Resurfacing Works on B1122 and the SZC Works Tracker.

A conversation was held with regards to recent resident complaints with regards to the lack of communication and ineffectiveness of the Sizewell C Works Tracker. Cllr. Paul Collins reported he had been in discussions with Sizewell C regards to the Works Tracker which showed very little information for residents to plan leaving their homes throughout the scheduled works to the B1122. This left some residents experiencing trouble leaving or coming back to their homes or businesses during the progress of the work.

ACTION: Clerk to produce posters for the village encouraging residents to log any issues with Sizewell C directly displaying the best contact information. The poster should then be posted online and in the Parish Newsletter.

6. Planning

- a) Moat Road Planning Application DC/23/3712/FUL.

Cllr. Robert Flindall informed the Council that there had been no updates with regards to the Moat Road Planning Application DC/23/3712/FUL since December 2023.

ACTION: Cllr. Robert Flindall and the Clerk to formulate and send a response to ESC with regards to Moat Road Planning Application DC/23/3712/FUL.

- c) Four Seasons, Leiston Road Planning Application DC/24/0992/FUL – respond by 17th April.

Cllr. Robert Flindall summarised the Four Seasons, Leiston Road Planning Application DC/24/0992/FUL to the Council and concluded that he believed East Suffolk Council will take the appropriate actions.

It was proposed by Cllr. Stephen Brett and seconded by Cllr. Steven Morphey that a neutral response should be submitted to East Suffolk Council with regards to the above planning application. All in Favour.

- d) Local Development Scheme and Waveney Local Plan 5 Year Review Assessment.

Cllr. Robert Flindall summarised the Local Development Scheme and Waveney Local Plan 5 Year Review Assessment which concluded that the plan is effective and there were no changes due to be made to the plan at this time.

7. Clerk/Councillors' Reports

- a) to receive a report from Cllr. Robert Flindall with regards to Suffolk's Local Transport Consultation, deadline 6th of May 2024.

Cllr. Robert Flindall began by summarising the Suffolk County Council's Suffolk Local Transport Consultation Document to the rest of the Council. The Council thanked Cllr. Robert Flindall for his attention to the matter and concluded that the Consultation was appropriate and that no further actions were required at this stage.

- b) Platinum Heritage Trail.

Cllr. Stephen Morphey reported he had received more information from the local historian for possible use on the Platinum Heritage Trail however he is dubious the quality of imagery will be sufficient for reproducing on large display boards.

The Council had reviewed the EAFA 'The Farm Factory' documentary and explained there were some promising footage of the village. The Clerk explained that it could be possible to purchase the rights to use images from the documentary through EAFA by request.

Cllr. Steven Morphey highlighted the Zeppelin images and asked whether the Council were aware who's permission we would require using the original photographs. The Clerk explained that the Zeppelin photos are shown on the Parish website therefore we should have had permission in the past.

[ACTION: Clerk to confirm Wednesday 1st May at 10.00am as the date for the next Platinum Heritage Trail meeting date to discuss noticeboard locations.](#)

[ACTION: Cllrs to send time references from 'The Farm Factory' documentary of which stills we would be keen to explore purchasing rights to use on the Platinum Heritage Trail.](#)

[ACTION: Clerk to speak to EAFA with regards to using still's from 'The Farm Factory' documentary on the Platinum Heritage Trail noticeboards.](#)

c) Community Council.

The Community Council report from their meeting held on the 4th of April is attached as **Appendix II**.

d) Police Crime Report.

The Police Crime Report for February 2024 is attached as **Appendix III**.
There were no crimes to report in February 2024 for Theberton and Eastbridge.

e) Speed Indicator Device.

The Speed Indicator Device Report for April 2024 is attached as **Appendix IV**.

Cllr. Paul Collins referred to the average speed on the B1122 showing a decrease in April 2024 and that this could be due to the B1122 Resurfacing works taking place. Subsequently there were no noticeable increase in traffic levels shown at this time.

f) Theberton Woods.

The Council discussed the recent works undertaken by Forestry England at Theberton Woods. The consensus was that the site had been left in an unprofessional manner, with huge tyre marks and branches and trees left in array along Pretty Road and Moat Road. The decision was made to discuss the matter further with Theberton Woods representative who is scheduled to attend the Annual Parish Meeting on Thursday 9th of May.

g) Village Noticeboards Refurbishments and East Suffolk Council Grant Update.

Cllr. Stephen Brett explained he was awaiting on further quotes for the refurbishment of the B1122 Village noticeboard however one joiner had declined the project.

[ACTION: Clerk to find details of local joiner to share with Cllr. Stephen Brett and obtain quote for the B1122 noticeboard.](#)

h) The Village Hall Broadband – Ongoing Complaint.

The Clerk summarised the Communication Ombudsman's response to the XLN complaint and explained the complaint was not upheld therefore early termination of contract fees would be liable if the Council agreed to terminate the

contract before the planned end date of August 2025. The Council agreed to continue the service but review the provider at the next renewal date.

i) Eastbridge Common.

The Council noted that an East Suffolk Council vehicle had been sighted clearing the drainage on Chapel Road and through the village of Eastbridge. Reference was made to the nettles on the common and the recent felling of the dead Silver Birch tree. The Council discussed the possibility of spending some CIL money on improving the area at Eastbridge Common for all residents.

[ACTION: The Eastbridge Common action group to meet and assess the site for improvements and report back to the full Council on their findings.](#)

j) To review costs for maintenance of parish assets including tractor oil, diesel and strimming.

Cllr. Stephen Brett informed the Council that the receipts would be ready to be reviewed at May's Parish Council Meeting.

[ACTION: Cllr. Stephen Brett to procure Parish Asset receipts and pass to the Clerk for adding to May's agenda.](#)

k) Plug In Suffolk Application.

The Clerk summarised the recent correspondence with regards to Theberton and Eastbridge's Plug in Suffolk Application confirming there were no further actions however the site is scheduled for review by bidders for the project.

m) Defibrillator training course at Theberton Village Hall, 6pm on 23rd of May 2024.

The Council noted the date for the Defibrillator training course and booked their places accordingly.

n) Strategic Objectives.

The Council voted to approve the Strategic Objectives and publish on the Parish website.

[ACTION: Clerk to publish the Strategic Objectives on the Parish website.](#)

o) Donation.

Cllr. Stephen Brett informed the Council of the death of a resident who had held a seat as a member on Theberton and Eastbridge Parish Council for fifty years. Cllr. Stephen Brett requested for the Council to consider a donation on behalf of the Parish Council of £50.00 to the residents' preferred charity, The East Anglian Air Ambulance.

It was proposed by Cllr. Stephen Brett and seconded by Cllr. Paul Collins and agreed that a £50.00 donation should be made to acknowledge the resident's passing. All in favour.

[ACTION: Clerk to add £50.00 donation to East Anglian Air Ambulance Charity to May's agenda for review of payment.](#)

o) Outstanding Actions List.

None.

8. Parish Matters

- a) Eastbridge Common, Track Maintenance.

The Council discussed visiting Eastbridge Common and confirmed they would report back to the Council at the next meeting in May.

9. Finance

- a) To note the latest financial position.

It was proposed by Cllr. Stephen Brett and seconded by Cllr. Paul Collins and it was agreed that the latest financial position to be a true record. All in favour.

- b) To note the budgeted versus actual income and expenditure for Qtr. 4 2023/2024.

It was proposed by Cllr. Stephen Brett and seconded by Cllr. Graham Ward and it was agreed that budgeted versus actual income and expenditure for Qtr. 4 2023/2024 to be a true record. All in favour.

- c) To approve the banking reconciliation for Qtr. 4 2023/2024.

It was proposed by Cllr. Stephen Brett and seconded by Cllr. Graham Ward and it was agreed that banking reconciliation for Qtr. 4 2023/2024 to be a true record. All in favour.

- d) To ratify the following payment:

Details	Payee	Amount	Power
Payroll Services (March – Sept 2023)	SALC	£54.00	LGA 1972 s.111

It was proposed by Cllr. Stephen Brett and seconded by Cllr. Steve Morphey and agreed the ratification of the payment listed above. All in favour.

- e) To authorise the following payments:

Details	Payee	Amount	Power
Clerk's Salary	Honor Houlding	£369.35	LGA 1972 s.112
Broadband	XLN/Daisy Communications	£38.81	LGA 1972 s.19
Dead Silver Birch Removal	Paul Bush	£120.00	OSA 1906. S.10
Data Protection Registration	Information Commissioner's Office	£35.00	LGA 1972 s.111
Payroll Services (Sept – March 2024)	SALC	£54.00	LGA 1972 s.111
Membership Subscription (24-25)	SALC	£181.69	LGA 1972 s.111

It was proposed by Cllr. Stephen Brett and seconded by Cllr. Paul Collins and agreed the authorisation of the payments listed above. All in favour.

10. Correspondence

To review the correspondence received between 11th of March 2024 and 8th April 2024 take action as appropriate.

The Clerk summarised the above dated correspondence. The Council agreed that there were no other further actions.

11. Questions to the Chair/Items for the Next Agenda

Cllr. Hazel Collins referred to the funeral bier and whether St. Peter's Church, Theberton had confirmed they would agree to house the object.

[ACTION: Cllr Hazel Collins and Cllr Daryl Ash to clean the funeral bier ready for the relocation.](#)

A discussion was held with regards to the Eel's Foot recent closure and reopening under Adnam's jurisdiction until a new permanent tenant is appointed. Cllr. Graham Ward asked whether the Eel's Foot Inn is registered as a Community Asset. Cllr. Stephen Brett recollected that they had begun discussions with the previous tenant and Adnams but the registration had not come to fruition. The Council felt that the Eel's Foot should be registered as a Community Asset as the only public house in Eastbridge and agreed to pursue this further with Adnams.

[ACTION: Cllr. Stephen Brett to arrange a meeting with Adnams to discuss registering the Eel's Foot Inn as a Community Asset.](#)

12. Next Meeting

To agree the date and time of the next meeting and the Annual Meeting of the Council which is scheduled for Thursday 9th of May 2024 at 7:00 pm at the Jubilee Hall.

Honor Houlding
Parish Clerk
1st May 2024

1. TEAGS – Stop Sizewell C

We are awaiting a response to our appeal to the Supreme Court. Skeleton arguments were sent to the Supreme Court before the 16th January deadline.

TASC Ltd have sent a second letter to East Suffolk Council through Leigh Day about the approval of Discharges of Requirements 12 and 19. We also continue to discuss with Richard Buxton (TEAGS solicitor) about potential ways forward with the Office for Nuclear Regulation regarding the Nuclear Site License and Coastal Defences.

Discussions with ONR on aspects of the coastal defences have come to a halt at the moment as they are unwilling to engage despite previous indications that they would be amenable to such discussions. We have pursued this with a response to their meeting refusal and we await a response.

2. Energy Projects Cumulative Impact Group and Anglia Energy Planning Alliance

Tim Beech at Snape Parish Council is in discussions with Andrew Bowie's office about some sort of "Town Hall" meeting for the local councils about all of the projects in the area.

A small subgroup that was tasked with formulating a working plan for the group to ensure that we can meet our obligations as Parish and Town Councils, has now reported and a draft constitution and minutes of the initial meeting were circulated by the clerk on 29th March.

3. B1122 planning discussions and SZC Deed of Obligation Forums

Initial draft minutes for the Northern Transport Forum (NTF) and Main Site Forum (MSF) were circulated on 7th March and 6th February, respectively. Following comments final drafts are published on the ESC NSIPs website ([Governance groups » East Suffolk Council](#)) prior to gaining approval at the next meetings on 8th May and 16th April respectively.

The annual SZC Forum is set for 9th April and questions from T&EPC have been submitted.

The next MSF is on 16th April and questions from T&EPC have been submitted.

The next NTF is on 8th May, which clashes with our May Parish Council meeting and questions have not yet been submitted.

At the NTF a timetable detailing which sections were planned to be affected was promised to be made available via the SZC Works Tracker (WT) by late February (minute 4.09). The timetable was again promised to be available by Thursday 14th March at the 7th March B1122 Early Years meeting. The timetable has never materialised and warnings on the WT have been buried in a daily edited document that is only available on the "Latest Info" tab which is not made accessible via the search screens and has no history. Separately, the information about the A11 travelling from Birmingham to the site on 2nd April was not available through searching the WT because of the inappropriate methods that SZC staff have been using to place information on the WT.

The issue of the poor operation of the WT has been taken up with SZC and a dialogue in ongoing about making this system something that can be used reliably.

During the overnight closures of the B1122 there have been some spectacular failures with a Saxmundham crib team taking an hour to get to the Theberton Lion because of poor information being given about how to access the closed section and from where. It is also clear that SZC contractors have been given incorrect or no information about where access is allowed which contributed to the ridiculously long journey.

It is still unclear when the various new Early Years speed limits and village gateways etc. will be implemented. SZC indicated their implementation would be dependent upon traffic volumes.

Also, despite having now reached a point where the proposed plans seem to be ready for examination by Theberton residents attempts to get SZC and WSP (contractor) to this April meeting have been thrown into disarray because of a late change of heart by SZC, not communicated to me until I pressed for confirmation of their attendance to this meeting, now postponed until after the B1122 Early Years Working Group meets again.

This delay is unacceptable as the increase in HGV traffic is now beginning.

SZC also said they would provide dates and schedules for these changes but have failed to do so. So with the addition of the B1122 Early Years Working Group meeting and the fact that the next NTF clashes with our May PC meeting means any presentation to residents is unlikely to be possible before June unless a special meeting is arranged.

The slow rate of progress on this issue which has been a characteristic of both the B1122 Early Years Working Group and the presentation of plans is unacceptable.

As far as I am aware, no further progress has been made in starting the formal process to have a 30mph speed limit in Eastbridge.

4. Scottish Power DCO Judicial Reviews

The SASES JR was heard in early December and was lost. An appeal has been made to the Supreme Court.

A result is awaited for the SEAS JR hearing heard between 13th and 15th February.

5. LionLink (formerly EuroLink) and Nautilus – National Grid Ventures

LionLink have produced their proposed Environmental Impact Assessment Scoping Report and invited reviews in consultation by 4th April. I have not reviewed the Scoping document as it is a highly technical document and the Planning Inspectorate will consult with statutory authorities (e.g., EA, NE, etc) as well as county and district authorities. PINS will then issue a Scoping Opinion which will define for LionLink what their EIA will need to assess during their creation of a DCO Application. This work and results will appear in statutory consultations in which we will have further opportunities to provide our input to.

6. Hydrogen East/Capital Hydrogen

No further updates are available at this time.

7. Sea Link Interconnector – National Grid Electricity Transmission

Sea Link on-shoring still set for between Aldeburgh and Thorpeness. No further information at this time.

Appendix II – Community Council Minutes, 4th of April 2024

Theberton and Eastbridge Community Council

Agenda for Meeting

4th April 2024 - Time: 6.00 pm

Present:

Apologies:

Minutes of last meeting: 6th March 2024

Chair's Report: SN

Treasurer's Report: Ruth

Past Events/ Upcoming Events

Spring Quiz: Date: 6th April Time: 7pm -1030

- £5.00 per table of 6
- 10 tables – 6 tables booked so far
- Chris may not be around to be quiz master and we also need a scoring assistant
- Food Platters- will be prepared by the committee as follows:
RB –Ham, RS Egg, SM, tuna, ABK cheese and tomato, JN cheese and onion
- 4 PM on the afternoon of the 6th of April set up-volunteers needed

Village Hall Maintenance Day: Saturday 13th April starting at 10:00am

- Andy to produce a list of internal & external tasks by priority.
 - Steve to source scaffold via Mark K for spotlight lamp changes in the hall.
 - Shell to request volunteers on the villages' Facebook page.

Open AGM: Date: Saturday 17th April Time: 6.30 - 8.30

Agenda?

Summer Fun Day: Saturday 15th June Time: 12- 4 pm

- Steve to produce a stall plan.
- Burger stand:
 - Consumables. Napkins, sauces, burgers, hotdogs (Swiss farm), Rolls, Vegetarian option
- CC and other stalls:
 - Jewellery stall
 - Woodcraft stall
 - Craft stall
 - Booze booth:

 - Source beer / larger / cider
 - Strawberries & Prosecco
 - Purchase strawberries, prosecco, Wine, Squash.
 - Coconut shy
 - Coconuts to be sourced. (Peasenhall Village shop)
 - Bowling for a pig
 - Adult / Child prize
 - Bean bag game
 - Child prize (confirm stock held in shed 1)
 - Ice cream van

- Tanya Catling face painter and glitter art

Matters Arising:

Cottage /Hall

- John Lytton started the work on the roof repairs 18th March – Update?
- Solicitor advice will be sought on the tenancy agreement once the chair has gathered together relevant information - Update SN
- Feedback from the second meeting with the Caretaker 19th March –Update SN
- Cottage boiler service - AH
- Hall boiler repair - AH
- 5-year electrical test - AH
- Fencing when does the work begin? –Update RB
- The new website is pending an update for the launch date from Suffolk One –Update SN

Charity Commission

- Accounts filed online

NatWest

- Committee advised that the account has been closed, due to not receiving the requested information from the previous Hall Management Treasurer. Now looking to recover £1881 pounds from that account–Update RB

Santander

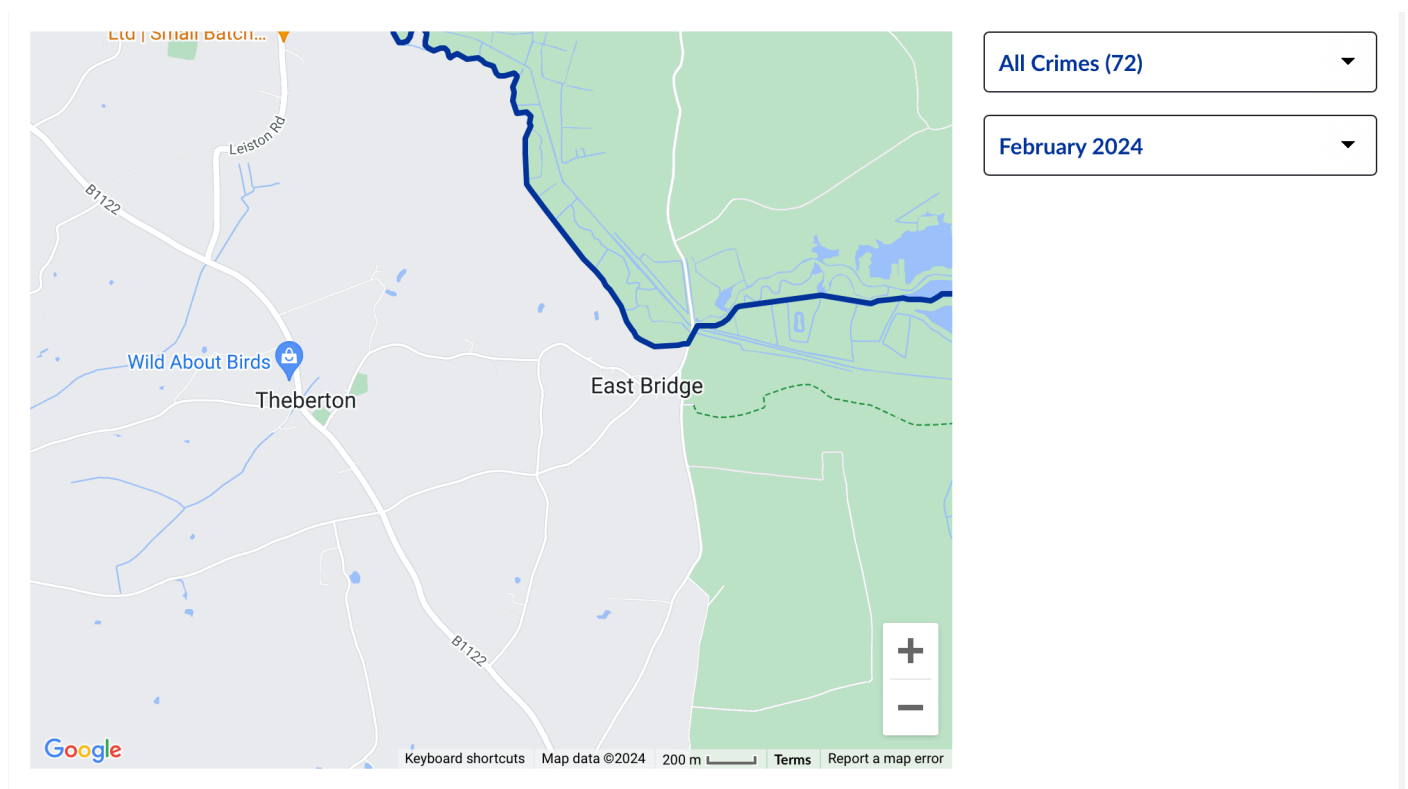

- Mandate update form completed and sent to the bank – SN/RB Update?
- **Parish Council Representative:**
Plug in Suffolk application progressed for an Electrical Charging Point at the Hall.

AOB:

50th Anniversary Celebration

- SN has suggested we might like to plan a celebration for the hall in the month of September

Appendix III – February 2024 Police Crime Report

Appendix IV – Speed Indicator Device Report - April 2024

Theberton Speed Indicator Device Report 10th April 2024

The speed indicator device has been operational for seventy-five ~20-day periods since 20th December 2016. It is placed at one end of the village or other at ~30-day intervals.

Traffic volumes long-term averages for those exceeding 35mph is now **34.4%** from north and **22.6%** from south.

The **85th percentile speed*** is **39.6mph** from North and **37.4mph** from South when they enter the village. These averages are over the whole period from December 2016.

At the moment, no discernible increases can be observed due to Sizewell C Early Years which officially started when the Development Consent Order commencement was triggered on 15th January 2024. However, the appearance of the SZC speed van might be showing a slowing effect with ~10% less speeding in this month's figure compared to the last time we monitored the north end of the village.

SID Start Date	15-Apr-23	19-May-23	17-Jun-23	18-Jul-23	17-Aug-23	22-Sep-23	16-Oct-23	16-Nov-23	15-Dec-23	14-Jan-24	13-Feb-24	14-Mar-24
